

Project Design Phase-II
Data Flow Diagram & User Stories

Date	31 January 2025
Team ID	Individual Project
Project Name	Online Complaint Registration
Team Members	Aakula Srija
Maximum Marks	4 Marks

Data Flow Diagrams:

A Data Flow Diagram (DFD) is a traditional visual representation of the information flows within a system. A neat and clear DFD can depict the right amount of the system requirement graphically. It shows how data enters and leaves the system, what changes the information, and where data is store.
